

360° EDUCATION + ADVENTURE

Memorable educational residentials at Derwentwater Independent Hostel

360° Education + Adventure provides an exciting range of activities for school groups, creating memorable learning outside the classroom experiences in the heart of the Lake District National Park.

You are welcome to lead your own itinerary, or we can help you to design and deliver a bespoke itinerary. Whether you want to explore a cross-curricular theme (such as Vikings or Farming), study a particular subject (such as Geography or English Literature), or do adventurous activities only (such as kayaking and climbing), we hope our ideas, resources, and local partnerships will help you to create a fantastic residential programme.

Creative educational activities for all ages (and any weather!)
